

**AMENDMENT TO THE AMENDMENT IN THE
NATURE OF A SUBSTITUTE TO H.R. 3524
OFFERED BY MR. SMITH OF NEW JERSEY**

Add at the end the following:

**SEC. __. MOVING THE GENOCIDE OLYMPICS TO A
DIFFERENT CITY AND COUNTRY.**

(a) In view of the recent determinations by successive United States administrations that the Government of the People's Republic of China (PRC) is committing genocide against the Uyghur people in Xinjiang Province, along with other gross violations of internationally-recognized human rights, the U.S. government should take a leading role in moving the venue of the 2022 Olympics from Beijing to a different city in a different country.

(b) Contrary to the assurances that the PRC gave the International Olympic Committee's Evaluation Commission for the 2022 Olympics that the PRC would improve its human rights practices, the PRC's human rights practices have worsened considerably, and thus the U.S. government, along with the international community, should use all means necessary to encourage the International Olympic Committee to withdraw its support for the 2022 Beijing Olympics, and move the 2022 Winter Olympics to another venue.

(c) The Administration should explore all options with global allies, the U.S. Olympic and Paralympic Committee, and other national Olympic committees to express publicly that the PRC's ongoing genocide and crimes against humanity and other severe abuses of

internationally-recognized human rights are unacceptable and a violation of the Olympic spirit, and that the International Olympic Committee has failed to enforce assurances that the government of the People's Republic of China made to the International Olympic Committee Evaluation Commission regarding human rights improvements.

**SEC. __. STRATEGY FOR U.S. TO ENCOURAGE THE
INTERNATIONAL OLYMPIC COMMITTEE TO MOVE THE
2022 OLYMPICS AWAY FROM BEIJING.**

Given that the Administration has determined that the government of the People's Republic of China is committing genocide and crimes against humanity in the Xinjiang Uyghur Autonomous Region and gross abuses of universally-recognized human rights elsewhere in China, including the Hong Kong Special Administrative Region, not later than 60 days after the date of the enactment of this Act or 30 days after the 2022 Summer Olympics in Tokyo conclude, whichever comes first, the President shall establish and lead a plan for action to engage with the International Olympic Committee to secure a change in venue for the 2022 Olympics from Beijing.
