AMENDMENT IN THE NATURE OF A SUBSTITUTE TO H. RES. 376

OFFERED BY MS. MALLIOTAKIS OF NEW YORK

Strike the preamble and insert the following:

- Whereas Turkey has been a North Atlantic Treaty Organization (NATO) member since 1952 and is thus a treaty ally of the United States;
- Whereas modern Turkey was founded upon the principles of republicanism and secularism;
- Whereas President Erdogan and his Justice and Development Party have used their nearly two decades in power to weaken Turkey's judiciary, install political allies in key military and intelligence positions, crack down on free speech and free press, and wrongfully imprison political opponents, journalists and minorities;
- Whereas under President Erdogan, Turkey seeks to establish itself as the dominant power in the Eastern Mediterranean, North Africa, and the Caucasus, and has taken provocative actions toward NATO allies, the European Union, and the broader region;
- Whereas under President Erdogan's leadership, Turkey has engaged in repeated aggression toward Cyprus;
- Whereas Turkey's military invaded the Republic of Cyprus in 1974, and the northern third of the island has been illegally administered by Turkish Cypriots with support from the Government of Turkey since then;

- Whereas the Government of Turkey has tolerated or abetted the desecration of more than 500 Orthodox Christian churches and religious sites in the territory of the Republic of Cyprus;
- Whereas as a member of the Council of Europe, Turkey is compelled to comply with the judgements of the European Court of Human Rights (ECHR);
- Whereas the ECHR has issued decisions and judgments in which the Court confirms that persons, including United States citizens, who hold title to real property located in the area of the Republic of Cyprus under the illegal administration by Turkish Cypriots with Turkish support are the only rightful owners of that real property, but Turkey has refused to comply with the ECHR judgement;
- Whereas despite having agreed to do so, the Government of Turkey has failed to sufficiently support international efforts to find and identify the remains of persons, including four United States citizens and over 1,000 Cypriot citizens who remain missing since the Turkish invasion of the Republic of Cyprus in 1974;
- Whereas Turkey illegally violates Cyprus' Exclusive Economic Zone;
- Whereas President Erdogan illegally reopened parts of the Varosha beachfront in October 2020 and the Turkish Cypriots, with President Erdogan's support, announced the partial reopening of the town of Varosha on July 20, 2021, both of which are inconsistent with United Nations Security Council Resolutions 550 (1984) and 789 (1992); and

Whereas President Erdogan has openly called for a "twostate" solution regarding Cyprus, in violation of United Nations resolutions, international law, and the position of the United States Government, which is that a Cyprus solution should be within the framework of a bizonal, bicommunal federation: Now, therefore, be it
