

**AMENDMENT TO H. RES. 503**  
**OFFERED BY MR. SMITH OF NEW JERSEY**

Strike paragraph (4) of the resolved text and insert the following:

1           (4) the observance of due process and rule of  
2           law leading to either the lawful prosecution or exon-  
3           eration of all arrested political leaders in line with  
4           the constitution and all relevant laws;

Strike paragraph (7) of the resolved text and insert the following:

5           (7) support for South Sudan's National Elec-  
6           tion Commission as it lays out a conflict-sensitive  
7           roadmap to prepare for and conduct the next South  
8           Sudanese general elections with an agreed-upon  
9           timetable for a census, constitutional adoption, the  
10          return of displaced people and establishing of meas-  
11          urable benchmarks to ensure to the fullest extent  
12          possible a free, fair, and transparent process;

Strike paragraph (9) of the resolved text and insert the following:

1           (9) technical, logistical, and expert support to  
2           the African Union Commission of Inquiry into atroc-  
3           ities and human rights abuses committed during the  
4           current conflict in South Sudan, encouraging the  
5           Commission of Inquiry to report publicly on its find-  
6           ings and recommendations and adhere to the report-  
7           ing timeline of three months from its establishment  
8           in accordance with the African Union Peace and Se-  
9           curity Council Communique of December 30, 2013;

Strike paragraph (11) of the resolved text and insert  
the following:

10           (11) financial and technical assistance to sup-  
11           port a grassroots program of social reconciliation,  
12           working through the South Sudan faith-based com-  
13           munity and other elements of civil society to miti-  
14           gate conflict and encourage social cohesion across  
15           the country building on successful effort to work  
16           with local communities and traditional authorities;

Strike paragraph (13) of the resolved text and insert  
the following:

17           (13) the resumption of any United States Agen-  
18           cy for International Development programming, re-  
19           garding famine prevention and resilience, that may  
20           have been suspended; and

Strike paragraph (14) of the resolved text and insert the following:

- 1           (14) United States financial support under cur-
- 2           rent funding to meet humanitarian needs and capac-
- 3           ity building support to meet the goals in previously
- 4           listed recommendations.
