

Obert Bore is Responsible Investments and Business Program Lead for Zimbabwe Environmental Law Association. A lawyer by training, Obert works on Business and Human Rights with a special focus on mining projects involving Chinese companies. Mr Bore works to support communities affected by such investments through legal and non-legal strategies. His work also involves advocacy around adoption of responsible mining standards by companies operating in Zimbabwe and Southern Africa region, as well as policy related advocacy work to ensure domestication of international best practices on responsible business conduct. He holds a Bachelor of Laws (LL.B) degree (*cum laude*) from the University of Venda, South Africa, and a Masters of Law (LLM) degree (*with a distinction*) in International Trade Law from the University of Cape Town.
