

1 Q -- a number of meetings?

2 A There were -- as I mentioned earlier, we aimed to get together with most of
3 the companies within the couple of weeks in the immediate -- in the immediate weeks
4 preceding the election.

5 Q Are you familiar with the October 2020 New York Post story on Hunter
6 Biden's laptop?

7 A I am.

8 Q Do you recall whether any of these social media companies you were
9 meeting with asked you any questions about it?

10 A I do.

11 Q And what is your recollection? Who --

12 A So I remember having a conversation with or being involved in a
13 conversation with Twitter, and I honestly can't recall if this was repeated to me -- I might
14 have been a few minutes late to the meeting -- or if -- or if I was -- I actually overheard it.

15 But it was -- it was relayed to me later that somebody from Twitter -- I don't recall
16 who. I'm not sure who. Somebody from Twitter essentially asked whether the laptop
17 was real. And one of the FBI folks who was on the call did confirm that, yes, it was
18 before another participant jumped in and said no further comment.

19 Q Do you recall who from the FBI said it was real?

20 A I do.

21 Q And who was that?

22 A It's a non-SES employee. I'd have to take that back.
