

## **Author, psychologist, online educator, and Professor Emeritus at the University of Toronto**

Dr. Jordan B. Peterson is an author, psychologist, online educator, and Professor Emeritus at the University of Toronto. The Jordan B Peterson podcast frequently tops the charts in the Education category. He has written three books, *Maps of Meaning*, an academic work, presenting a new scientifically-grounded theory of religious and political belief, and the bestselling *12 Rules for Life*, and *Beyond Order*, which have sold more than seven million copies.

With his wife, Tammy, Dr. Peterson's international lecture tours have sold out more than 400 venues, providing live insight into the structure of mythology and narrative to hundreds of thousands of people. For twenty years, he taught some of the most highly regarded courses at Harvard and the University of Toronto, while publishing more than a hundred well-cited scientific papers with his students and co-authors.

Dr. Peterson's online programs, [selfauthoring.com](http://selfauthoring.com) and [understandmyself.com](http://understandmyself.com) have helped tens of thousands of people inquire deeply into the structure of their personalities, develop a vision for their future, and sort out the details of their pasts. He maintained an active clinical and consulting practice during this period, helping individuals across the full spectrum of ability and temperament deal with the complexities of their lives and situations.

He is the founder of [Petersonacademy.com](http://Petersonacademy.com), an online education platform that will provide extremely affordable access to world-class professors hailing from institutions like Harvard, Oxford, Cambridge, and Stanford.

In conjunction with the Daily Wire Plus, Dr. Peterson recently led and released a 17-part seminar on the biblical book of Exodus, as the continuation of his critically and publicly acclaimed lectures on Genesis.
