

Biography: William A. Sisk

Acting Assistant Commissioner for General Supplies and Services
Federal Acquisition Service
U.S. General Services Administration

William A. Sisk was named Acting Commissioner of General Supplies and Services beginning January 3, 2011. In this position, he leads the U.S. General Services Administration's acquisition of a wide range of general supplies and services used by Federal agencies. He is responsible for the management of supply operations, most of the non-information technology multiple award schedules program, and the disposal of Federal personal property, including public auctions. Mr. Sisk leads an organization of over 1200 Government employees and contractors with \$23 billion in annual business volume.

Since July 2007, Mr. Sisk has served as the Regional Commissioner, Southeast Sunbelt Region in the Federal Acquisition Service of GSA. Mr. Sisk held a variety of management positions within the Southeast Sunbelt Region including the Public Buildings Service's Acting Regional Commissioner, Assistant Regional Administrator, Deputy Assistant Regional Administrator in the Federal Supply Service, Deputy Director and Director, Southeast Distribution Center, and Regional Budget Officer.

Mr. Sisk graduated from the Citadel with a Bachelor of Science in Business Administration.
