

**AMENDMENT TO THE AUTHORIZATION AND OVERSIGHT PLAN OF THE
COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM**

OFFERED BY REP. RASKIN

After the section entitled, "Open Government and Transparency," insert a new section entitled "President's Global Business Dealings," and insert the following:

"The Committee will investigate all foreign funds or other benefits received by any businesses owned in whole or in part by the President to protect against violations of the Emoluments Clause of the U.S. Constitution. The Emoluments Clause prohibits the President from obtaining any benefit of any kind from foreign governments or affiliated entities 'without the consent of Congress.'

As one component of this review, the Committee will examine numerous reports of funding or other benefits received by the President and his businesses from Russian individuals or entities, as well as those from other foreign sources. The Committee will also examine multiple reports of communications between Russian officials or entities and the President's advisors and associates, including but not limited to his National Security Advisor."
