

**Robert (Bobby) L. Stein, Chairman
President of the Regency Group**

As President of The Regency Group, a family holding company located in Jacksonville, Florida, Bobby Stein has founded the successful investment and growth of many businesses in a wide variety of industry sectors including water, sewer and waste management, real estate, oil and gas, mortgage services, highway safety, technology, food services and healthcare. Bobby is also a partner with Chartwell Capital, a private equity investment company, located in Jacksonville, Florida, which invests in mid-size companies throughout the United States.

Bobby is a long standing member of the Board of Directors of St. John's Utilities, Kerrco Inc. (Houston based oil and gas company), SDS (large Pizza Hut franchisee), Acme (highway safety business) and TL Canon (large Applebee's franchisee). More recently Bobby joined the Boards of ReactiveCore (large scale business automation and advanced analytics), GSMD Holdings, LLC (medical coding and billing company) and White Coats Wellness (healthcare solutions provider). He is also a General Partner of several commercial real estate properties throughout the country.

Bobby has served as a member of the President's Intelligence Advisory Board. He was formerly Chairman of the Defense Business Board, and an ex official member of the Defense Policy Board and the Defense Science Board. He also served as a member of the United States Naval Academy Board of Visitors.

Bobby is a current member of the Florida Council of 100. The Council was the first of its kind in the United States and works in close harmony with the Governor, the Chief Justice, and the Legislature, as well as with private organizations, to achieve quality of life improvements for the citizens of Florida. This group represents the top business leaders in Florida.

Bobby is a board member of The Better Angels Society (preserving American history featuring documentaries by Ken Burns). He also serves on the Board of The Guardian of Dreams (inner city Catholic schools), the University of South Carolina Business School Foundation, the Board of Visitors of the University of Georgia School of Public and International Affairs and CRUSA (The Costa Rica United States Foundation for Cooperation).

Bobby is also a former member of the Young Presidents' Organization and Leadership Florida. In the past, he served as a board member of the Jacksonville Port Authority and a board member and Chairman of the Jacksonville Electric Authority (one of the largest municipal electric, water and sewer companies in the country).

Bobby holds a Bachelor of Arts degree in business administration from the University of South Carolina.
