Border Patrol agents arrested 11 Iranians Monday after they sneaked across the border into Arizona.

Iran is a “special interest” country for border apprehensions because of its nexus to terrorism, though there was no mention of those concerns in relation to this group.

Still, the 11 arrests pushed the number of Iranians nabbed in the Yuma sector since Oct. 1 to 14. In fiscal year 2020, the Yuma sector arrested eight, while the rest of the border accounted for just 14.
