VP signed off on this -- will give this quote to both reporters in my name shortly:

"Hunter Biden is a private citizen and a lawyer. The Vice President does not endorse any particular company and has no involvement with this company. The Vice President has pushed aggressively for years -- both publicly with groups like the US-Ukraine Business Forum and privately in meetings in with Ukrainian leaders -- for Ukraine to make every effort to investigate and prosecute corruption in accordance with the rule of law. It will once again be a key focus during his trip this week."
