Really I did just that you figure out from this semester on and the rest of her life how to figure out how you can support yourself I never give you another dime again . If you want to go to Pop that's fine. I love you but you never fight for even what is best for your sister

Find an apartment with Peter by next week. And send me the keys and leave all of my furniture and art .

I love all of you. But I don't receive any respect and thats fine I guess -works for you apparently. I Hope you all can do what I did and pay for everything for this entire family Fro 30 years. It's really hard. But don't worry unlike Pop I won't make you give me half your salary.
