CONNOLLY AMENDMENT TO THE RULES OF THE COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM

OFFERED BY RANKING MEMBER CONNOLLY

Amend subsection (g) under Rule 12 after “of the Committee” by inserting “at least 24 hours before issuing any subpoena, the Chair shall consult with the Ranking Minority Member regarding the authorization and issuance of such subpoena and shall provide a draft copy of the proposed subpoena, including a draft of any proposed document schedule, at that time. The Chair may waive these requirements in the event of an emergency that does not reasonably allow for advance written notice, including, but not limited to, when a witness who is voluntarily before the Committee refuses to answer a question.”
