U.S. Border Patrol Apprehensions (2012 – 2022)

At the beginning of the month, White House Press Secretary Karine Jean-Pierre said:

So, as you know, on his first day in this administration, the President put forth a comprehensive immigration legislation. And that's to show how seriously he took this, how ... he understood that the system had been broken. It needs to be modernized, ... be moved to the 21st century.

Who broke the system?
