

DAVID A. KESSLER, MD

Dr. David A. Kessler has served in three administrations, both Republican and Democrat. He was the commissioner of the US FDA under Presidents George H. W. Bush and Bill Clinton and was chief science officer of the White House Covid-19 Response Team and co-led Operation Warp Speed under President Joe Biden. He has been the dean of the medical schools at Yale and the University of California, San Francisco. Dr. Kessler, a best-selling author, is a pediatrician and also teaches in the field of epidemiology and biostatistics. He is a graduate of Amherst College, the University of Chicago Law School, and Harvard Medical School.
