Re: Hearing titled “The Federal Government in the Age of Artificial Intelligence”

On **Thursday, June 5, 2025, at 10:00 a.m. ET, in room HVC-210 of the U.S. Capitol Visitor Center**, the Committee on Oversight and Government Reform will host a hearing titled “The Federal Government in the Age of Artificial Intelligence.”

I. BACKGROUND:

Artificial intelligence (AI) and other types of machine learning are dramatically reshaping many aspects of modern life. The Trump Administration has prioritized removing barriers to American leadership in AI to maintain U.S. dominance by deploying AI at scale in both the public and private sectors.

II. HEARING PURPOSE:

This hearing will allow members to highlight the importance of the federal government deploying AI to create efficiencies, identify improper payments, and save taxpayers money.

III. WITNESSES:
