The Honorable James Comer, Chairman  
The Honorable Robert Garcia, Ranking Member  
Committee on Oversight and Government Reform  
U.S. House of Representatives  
2157 Rayburn House Office Building  
Washington, DC 20515

Dear Chairman Comer and Ranking Member Garcia:

For decades, those of us who care about how the federal government works have studied improper payments, fraud, and waste and watched the numbers grow. The problem has only gotten worse.

I'm writing to thank the Committee for moving from diagnosis to action. The fraud prevention package of bills you're advancing is exactly the kind of practical, structural response this problem has been waiting for. It will make a real difference and stands to save American taxpayers hundreds of billions of dollars a year. That's a return on oversight worth celebrating.

Gratefully,
