

BIDEN'S GREEN ENERGY POLICIES PROP UP WEALTHY ELITES AND LEAVE AMERICANS BEHIND

STARTING IN FEBRUARY 2023, BIDEN'S DEPARTMENT OF ENERGY SHELLED OUT NEARLY \$3 BILLION IN LOANS TO TWO ELECTRIC BATTERY COMPANIES: REDWOOD MATERIALS & IONEER.

THE TWO COMPANIES ARE BACKED BY FUNDING FROM BOTH GATES AND POWELL.

BILL GATES POURED \$127 MILLION INTO A LIBERAL DARK MONEY NETWORK TO ELECT DEMOCRATS.

IN JULY 2021, REDWOOD RAISED \$700 MILLION FROM A GROUP OF INVESTORS THAT INCLUDED GATES & POWELL.

POWELL JOBS GAVE LEFTIST CANDIDATES & POLITICAL GROUPS OVER \$2 MILLION.

IONEER WON A \$700 MILLION LOAN FROM BIDEN AND SAW ITS STOCK PRICE INCREASE BY 33% AFTER THE ANNOUNCEMENT.

FEDERAL GRANTS ARE GOING TO THE SAME PEOPLE WHO POURED MONEY INTO GETTING JOE BIDEN ELECTED.

JOHN ARNOLD GAVE \$13.5 MILLION TO ONE LIBERAL DARK MONEY GROUP FROM 2016-2020.
