

Josh Roe Bio

Josh Roe serves as the CEO for Kansas Corn. He previously served as the Vice-President for Market Development and Public Policy for Kansas Corn and with the Kansas Department of Agriculture as Deputy Secretary of Agriculture. Josh owns and operates his family's crop and cattle operation in North-Central Kansas and represents the 7th generation of his family on the farm. Josh and his wife, Adassa, have a son, Will, who is also very active on the farm.

Josh holds B.S. and M.S. degrees in Agricultural Economics from Kansas State University and Iowa State University. His specialties include agricultural policy, finance, economic impact analysis, bio-fuel economics, administration, business evaluation, transportation, and taxes.
