

Dr. Lacey Gosch currently holds the position of Assistant Superintendent of Technology for Judson Independent School District. Previously, she served seven years as the Chief Academic Officer for Navarro ISD. She has held a variety of roles in the corporate and education industries acting as the Senior Vice President of Nixon State Bank, Executive Director of Technology and Director of Instructional Technology for Southwest ISD.

Dr. Gosch began her career as a high school teacher and proceeded to expand in her profession at the district level. She earned her undergraduate and Master of Science degree in Curriculum and Instruction from Baylor University and a Master of Arts degree in Educational Administration from Lamar University and an Educational Doctorate in Learning and Organizational Change from Baylor University.

Dr. Gosch has been published on a variety of topics and has made an impact in technology by sharing her experiences in remediation and leadership during and after a ransomware event. She is noteworthy of breaking the barriers of the topic in discussion and presentation through many technology summits and events.
