

## Alex Epstein

Alex Epstein is a *New York Times* bestselling author, philosopher, and energy expert who argues that "human flourishing" should be the guiding principle of energy and environmental progress.

He is the author of *The Moral Case for Fossil Fuels* and *Fossil Future*, two of the best-selling and most influential energy books of the last decades.

Alex is also the creator of Energy Talking Points, a leading source of pro-freedom energy policies, messaging, and personnel recommendations that is used by over 200 major political offices. Alex personally advises dozens of the nation's leading politicians on energy, environment, and climate.

Alex is also a prolific [public commentator](#) on energy. He has made his moral case for fossil fuels and energy freedom at dozens of campuses, including Harvard, Yale, Stanford, and Duke (his alma mater). He has also spoken to employees and leaders at dozens of Fortune 500 companies.
