

Jacob Snyder, Chief Operating Officer of Enerfab

Jacob Snyder started his career in the construction industry as the Director of Industrial Relations with the National Maintenance Agreements Policy Committee, Inc. (NMAPC) and The Association of Union Constructors (TAUC). In January 2009 Jacob joined Enerfab as a Human Resources and Labor Relations Specialist. Over the past 15 years with Enerfab Jacob has had a variety of titles and responsibilities and in September 2020 was appointed Chief Operating Officer.

Jacob also serves in a variety of leadership roles in the construction industry including: Management Co-Chair and Vice President of the National Maintenance Agreements Policy Committee, Board Member and 2nd Vice President of The Association of Union Constructors, Board Member and Vice President of the Associated Maintenance Contractors, and Board Member for the Instrument Contracting and Engineering Association.

Jacob holds a Bachelor of Science in Education and an MPA in Personnel Management and Labor Relations from Bowling Green State University. He resides in Ohio.
