Re: Hearing titled “Using Modern Tools to Counter Human Trafficking”

On Wednesday, December 10, 2025, at 2:00 p.m. ET in 2247 Rayburn House Office Building, the Subcommittee on Cybersecurity, Information Technology, and Government Innovation will host a hearing titled “Using Modern Tools to Counter Human Trafficking.”

I. BACKGROUND:

Human trafficking remains one of the most pressing human rights crises of our time. This crime has evolved significantly in the digital age creating both challenges and opportunities for the anti-trafficking community. While traffickers leverage technology to recruit, exploit, and advertise victims, law enforcement and others are deploying technological solutions to stop criminals and support victims.

II. HEARING PURPOSE:

The hearing will examine the importance of technology in efforts to counter human trafficking and help victims.

III. WITNESSES:

Ms. Megan Lundstrom
