

Dave Hinchman
Acting Director, Information Technology & Cybersecurity
U.S. Government Accountability Office

Dave Hinchman is an Acting Director on GAO's Information Technology and Cybersecurity team. He oversees GAO's evaluation of the federal government's IT and cyber workforce, as well as reviews of critical infrastructure cybersecurity. He also leads GAO's evaluations of the IRS's IT modernization efforts. He previously led GAO's body of work on federal data center consolidation and cloud computing. Prior to joining GAO in 2002, Dave worked for several private sector firms, including PricewaterhouseCoopers, and served as a Surface Warfare Officer in the United States Navy. Dave has a master's degree in business administration from the Eller School of Management at the University of Arizona, and a bachelor's degree in anthropology from Vassar College in New York.
