WRITTEN SUBMISSION TO BE INCLUDED IN OFFICIAL HEARING RECORD

**Committee on Oversight and Accountability
Field Hearing on Assessing the Federal Government's Response
to the 2023 Maui Wildfires**

We want to hear your story. Below please provide your comments regarding your experiences or thoughts on the federal response and recovery to the Lahaina wildfires. Your response will help inform the Committee's oversight and any recommendations for future congressional action.

① How are you determining the amount of deaths?
Fact: I have my friend's cousin & girlfriend who died in fire are not listed as one of the 102. They had a memorial October 2023. They still are not listed as dead.

With that said, can you honestly say there are only 102 deaths?

Mr Bissen or House Oversight
② Family Life Center's Ohanattope Village.org had the temporary housing home up and ready to go by Nov of 2023. There's one issue, keeping them from opening this little village for 350 people.

How can this situation be moved along?
There's only been bureaucratic road blocks, 😞
