Outbox delivered postal mail through a beautiful mobile app and a sophisticated last-mile logistics platform. The service would pick up and digitizes mail pieces three times a week for customers to view, sort, and organize mail from the convenience of an iPhone or iPad. Backed by seed investors Mike Maples and Peter Thiel, who’ve also funded Twitter and Facebook, respectively, Outbox raised a total of \$7.25 million in financing, which included the largest financing round ever conducted via AngelList. The company was been featured in CNN, TechCrunch, FastCompany, Wall Street Journal, New York Times, and even made an appearance in the monologue of Jay Leno.

3. Please list any federal grants or contracts (including subgrants or subcontracts) received since October 1, 2010, by the entity(ies) you listed above. Include the source and amount of each grant or contract.

None

I certify that the above information is true and correct.
