Required by House Rule XI, Clause 2(g)(5)**

**ADDENDUM FOR KEVIN S. BANKSTON,
regarding
Hearing on "Encryption Technology and Possible U.S. Policy Responses"**

April 29, 2015

1. Please list any federal grants or contracts (including subgrants or subcontracts) you have received since October 1, 2012. Include the source and amount of each grant or contract.

I have not received any federal grants or contracts (including subgrants or subcontracts) since October 1, 2012.

2. Please list any entity you are testifying on behalf of and briefly describe your relationship with these entities.

I am testifying on behalf of the Open Technology Institute (OTI), a program of the non-profit policy organization New America. I am employed by New America as the Policy Director of OTI and as the Co-Director of New America's Cybersecurity Initiative.

3. Please list any federal grants or contracts (including subgrants or subcontracts) received since October 1, 2012, by the entity(ies) you listed above. Include the source and amount of each grant or contract.

New America's Open Technology Institute has received the following Federal grants since October 1, 2012:

Radio Free Asia
Awarded: 9/30/2013
Ending: 5/31/2014
Amount: \$60,000

For managing and supporting the Open Technology Fund's new "Transifex" online hub for open source development of localized Internet Freedom software, to further grow and enhance the localization community for Internet Freedom tools.

Radio Free Asia
Awarded: 9/30/2013
Ending: 6/30/2015
Amount: \$126,800

For OTI to provide major improvements to the quality and quantity of data collected using the open “Measurement Lab” platform for Internet measurement, allowing any user with the M-Lab browser extension access to better insights about the flow of Internet traffic, network interventions, and network performance around the world.

Department of State
Awarded: 6/19/2014
Ending: 12/31/2015
Amount: \$900,000

For OTI to deploy “Commotion” mesh networking software networks and train partners in order to expand digital freedom of expression and to align the Commotion project's technology development with the needs of those deployments, supporting local innovation and encouraging sustainable regional adoption.
