The podcast is available at AdamCarolla.com, PodcastOne.com and iTunes.

Adam became a New York Times best-selling author when his book, **IN 50 YEARS WE'LL ALL BE CHICKS**, topped the charts for ten weeks. The audio version went straight to the #1 position on iTunes. He has since released two other New York Times Best Selling Books, **NOT TACO BELL MATERIAL** and **PRESIDENT ME**.

Adam began his career on the nationally syndicated radio program **LOVELINE** with Dr. Drew Pinsky. MTV developed a television version of the show, which was co-hosted by Adam and Dr. Drew for five seasons (1996-2000).

With his partner Daniel Kellison, and Jimmy Kimmel, Adam created and starred in two hit Comedy Central shows, **THE MAN SHOW** (1999-2003) and **CRANK YANKERS** (2002-2005).
