Nat Malkus is a senior fellow and the deputy director of Education Policy Studies at the American Enterprise Institute (AEI), where he specializes in using quantitative data to analyze K–12 schooling. Dr. Malkus is the creator of AEI's Return to Learn Tracker, which has gathered national data on pandemic-era school closures, masking requirements, enrollment changes, federal school emergency relief funding, and chronic absenteeism. Dr. Malkus has a PhD in education policy and leadership from the University of Maryland, College Park.
