

### **Dorothy A. Fink, M.D.**

Dr. Dorothy Fink serves as the Acting Assistant Secretary for Health and leads the U.S. Public Health Service Commissioned Corps with the goal of leading Americans to healthier lives. She is board certified in endocrinology, internal medicine, and pediatrics, and is recognized as a physician leader on topics such as diabetes, nutrition, and bone health.

As a Georgetown University undergraduate focusing on health studies, Dr. Fink developed a passion for public health. She received her medical degree from Georgetown University School of Medicine. She completed her combined internal medicine and pediatrics residency at the University of Pittsburgh Medical Center. She then completed a post-doctoral fellowship in endocrinology and metabolism at the Columbia University College of Physicians and Surgeons in New York. During her fellowship, Dr. Fink was selected as a Women's Health Scholar and worked at the Center for Menopause, Hormonal Disorders and Women's Health. She has published numerous peer-reviewed articles on a variety of topics, including maternal health, diabetes, and osteoporosis.
