Mr. Scott Faber
Environmental Working Group
1436 U Street, N.W.
Suite 100
Washington, D.C. 20009

Dear Mr. Faber:

The Subcommittee on Environment invites you to testify at a hearing on Tuesday, November 19, 2019, at 2:00 p.m., in room 2154 of the Rayburn House Office Building.

This hearing will lay out the case for immediate and robust federal regulation of per- and polyfluoroalkyl substances (PFAS). These toxic “forever chemicals” have contaminated the air, drinking water, ground water and food supplies of millions of Americans, and have been linked to adverse health outcomes such as birth defects and certain types of cancer—and yet remain unregulated by the federal government. The Subcommittee will examine the enormity of the contamination crisis, particularly around industrial manufacturing sites and military installations, as well as the imperative that the Environmental Protection Agency (EPA) set a maximum contaminant level for PFAS under the Safe Drinking Water Act and take action to clean up contaminated sites.

The enclosed Witness Instruction Sheet provides information for witnesses appearing before the Committee. Please note the procedures for submitting written testimony at least two business days prior to the hearing. If you have any questions, please contact Subcommittee staff at (202) 225-5051.

Sincerely,

Harley Rouda
Chairman
Subcommittee on Environment

Enclosure

cc: The Honorable James Comer, Ranking Member
