13 right of citizens of the United States;

14                       (B) it is the responsibility of the State and  
15 Federal governments to ensure that every eligi-  
16 ble citizen is registered to vote;

17                       (C) existing voter registration systems can  
18 be inaccurate, costly, inaccessible and con-  
19 fusing, with damaging effects on voter partici-  
20 pation in elections for Federal office and dis-  
21 proportionate impacts on young people, persons  
22 with disabilities, and racial and ethnic minori-  
23 ties; and

2 dated with 21st century technologies and proce-  
3 dures to maintain their security.

5 (A) to establish that it is the responsibility  
6 of government to ensure that all eligible citizens  
7 are registered to vote in elections for Federal  
8 office;

16           if eligible, by electronically transferring the informa-  
17           tion necessary for registration from the applicable  
18           agency to election officials of the State so that, un-  
19           less the individual affirmatively declines to be reg-  
20           istered or to update any voter registration, the indi-  
21           vidual will be registered to vote in such elections.

22           “(4) ELIGIBLE INDIVIDUAL.—The term ‘eligible  
23           individual’ means, with respect to an election for  
24           Federal office, an individual who is otherwise quali-  
25           fied to vote in that election.

1           “(5) REGISTER TO VOTE.—The term ‘register  
2 to vote’ includes updating an individual’s existing  
3 voter registration.

4           “(b) ESTABLISHMENT.—

5           “(1) IN GENERAL.—The chief State election of-  
6 ficial of each State shall establish and operate a sys-

14 tion official shall—

15           “(i) subject to subparagraph (B), en-  
16 sure that each eligible individual who com-  
17 pletes an applicable transaction and does  
18 not decline to register to vote is registered  
19 to vote—

20           “(I) in the next upcoming elec-  
21 tion for Federal office (and subse-  
22 quent elections for Federal office), if  
23 an applicable agency transmits infor-  
24 mation under subsection (c)(1)(E)

1 with respect to the individual not later  
2 than the applicable date; and

3 “(II) in subsequent elections for  
4 Federal office, if an applicable agency  
5 transmits such information with re-  
6 spect to such individual after the ap-  
7 plicable date; and

23 “(C) CLARIFICATION.—Nothing in this  
24 subsection shall prevent the chief State election  
25 official from registering an eligible individual to

1           vote for the next upcoming election for Federal  
2           office in the State even if an applicable agency  
3           transmits information under subsection  
4           (c)(1)(E) with respect to the individual after  
5           the applicable date.

6           “(3) TREATMENT OF INDIVIDUALS UNDER 18  
7           YEARS OF AGE.—A State may not refuse to treat an

11          cy receives information with respect to the indi-  
12          vidual, so long as the individual is at least 16 years  
13          of age at such time. Nothing in the previous sen-  
14          tence may be construed to require a State to permit  
15          an individual who is under 18 years of age at the  
16          time of an election for Federal office to vote in the  
17          election.

18 “(C) CLARIFICATION ON PROCEDURES FOR  
19 INELIGIBLE VOTERS.—An applicable agency  
20 shall not provide an individual who did not af-

19 Federal office held in the State; and

20 “(C) for each individual who wishes to reg-  
21 ister to vote, transmit that individual’s informa-  
22 tion in accordance with subsection (c)(1)(E),  
23 unless the applicable agency has conclusive doc-  
24 umentary evidence obtained through its normal

8 tion may begin processing and scanning ballots cast  
9 during in-person early voting for tabulation after  
10 such date if the date on which the State or jurisdic-  
11 tion begins such processing and scanning ensures, to  
12 the greatest extent practical, that ballots cast before  
13 the date of the election are processed and scanned  
14 before the date of the election.

15           “(2) LIMITATION.—Nothing in this subsection  
16 shall be construed—

17           “(A) to permit a State or jurisdiction to

4           “(2) ADMINISTRATION OF VOTING BY MAIL.—

5               “(A) PROHIBITING IDENTIFICATION RE-  
6       QUIREMENT AS CONDITION OF OBTAINING OR  
7       CASTING BALLOT.—A State may not require an  
8       individual to submit any form of identifying  
9       document as a condition of obtaining or casting  
10      an absentee ballot, except that nothing in this  
11      subparagraph may be construed to prevent a  
12      State from requiring—

13               “(i) the information required to com-  
14      plete an application for voter registration  
15      for an election for Federal office under sec-  
16      tion 303(a)(5)(A), provided that a State  
17      may not deny a voter a ballot or the oppor-  
18      tunity to cast it on the grounds that the  
19      voter does not possess a current and valid  
20      driver’s license number or a social security  
21      number; or

22               “(ii) a signature of the individual or  
23      similar affirmation as a condition of ob-

7                   provided a different form of identifying in-  
8                   formation under subparagraph (A) than  
9                   the voter originally provided when reg-

12                   “(ii) due to an error in, or omission  
13                   of, identifying information required by a

23           witness signature or other formal authentica-  
24           tion (other than voter attestation) as a condi-  
25           tion of obtaining or casting an absentee ballot,

1           except that nothing in this subparagraph may  
2           be construed to prohibit a State from enforcing  
3           a law which has a witness signature require-  
4           ment for a ballot where a voter oath is attested  
5           to with a mark rather than a voter's signature.

11          paragraph (2) of such section or to exempt an indi-  
12          vidual described in paragraph (5)(A) of section  
13          303(b) from meeting the requirements of paragraph  
14          (5)(B).

21                         ballot or absentee ballot submitted by any indi-  
22                         vidual with respect to an election for Federal  
23                         office unless the State meets the due process re-  
24                         quirements described in paragraph (2).

1           “(B) SIGNATURE VERIFICATION REQUIRE-  
2           MENT DESCRIBED.—In this subsection, a ‘sig-  
3           nature verification requirement’ is a require-  
4           ment that an election official verify the identi-  
5           fication of an individual by comparing the sig-  
6           nature of the individual on the mail-in ballot or  
7           absentee ballot with the individual’s signature  
8           on the official list of registered voters in the  
9           State or another official record or other docu-  
10          ment used by the State to verify the signatures  
11          of voters.

12          “(2) DUE PROCESS REQUIREMENTS.—

13                 “(A) NOTICE AND OPPORTUNITY TO CURE  
14                 DISCREPANCY IN SIGNATURES.—If an indi-  
15                 vidual submits a mail-in ballot or an absentee  
16                 ballot and the appropriate State or local elec-  
17                 tion official determines that a discrepancy ex-  
18                 ists between the signature on such ballot and  
19                 the signature of such individual on the official  
20                 list of registered voters in the State or other of-  
21                 ficial record or document used by the State to  
22                 verify the signatures of voters, such election of-  
23                 ficial, prior to making a final determination as  
24                 to the validity of such ballot, shall—

1           “(i) as soon as practical, but not later  
2 than the next business day after such de-  
3 termination is made, make a good faith ef-  
4 fort to notify the individual by mail, tele-  
5 phone, and (if available) text message and  
6 electronic mail that—

7           “(I) a discrepancy exists between  
8 the signature on such ballot and the  
9 signature of the individual on the offi-  
10 cial list of registered voters in the  
11 State or other official record or docu-  
12 ment used by the State to verify the  
13 signatures of voters; and

14           “(II) if such discrepancy is not  
15 cured prior to the expiration of the  
16 third day following the State’s dead-  
17 line for receiving mail-in ballots or ab-  
18 sentee ballots, such ballot will not be  
19 counted; and

20           “(ii) cure such discrepancy and count  
21 the ballot if, prior to the expiration of the  
22 third day following the State’s deadline for  
23 receiving mail-in ballots or absentee bal-  
24 lots, the individual provides the official  
25 with information to cure such discrepancy,

1           either in person, by telephone, or by elec-  
2           tronic methods.

3           “(B) NOTICE AND OPPORTUNITY TO CURE  
4           MISSING SIGNATURE OR OTHER DEFECT.—If an  
5           individual submits a mail-in ballot or an absen-  
6           tee ballot without a signature or submits a  
7           mail-in ballot or an absentee ballot with another  
8           defect which, if left uncured, would cause the  
9           ballot to not be counted, the appropriate State  
10          or local election official, prior to making a final  
11          determination as to the validity of the ballot,  
12          shall—

13                   “(i) as soon as practical, but not later  
14                   than the next business day after such de-  
15                   termination is made, make a good faith ef-  
16                   fort to notify the individual by mail, tele-  
17                   phone, and (if available) text message and  
18                   electronic mail that—

19                           “(I) the ballot did not include a  
20                           signature or has some other defect;  
21                           and

22                                   “(II) if the individual does not  
23                                   provide the missing signature or cure  
24                                   the other defect prior to the expira-  
25                                   tion of the third day following the

1 State's deadline for receiving mail-in  
2 ballots or absentee ballots, such ballot  
3 will not be counted; and

4 “(ii) count the ballot if, prior to the  
5 expiration of the third day following the  
6 State's deadline for receiving mail-in bal-  
7 lots or absentee ballots, the individual pro-  
8 vides the official with the missing signa-  
9 ture on a form proscribed by the State or  
10 cures the other defect.

11 This subparagraph does not apply with respect  
12 to a defect consisting of the failure of a ballot  
13 to meet the applicable deadline for the accept-  
14 ance of the ballot, as described in subsection  
15 (e).

16 “(C) OTHER REQUIREMENTS.—

17 “(i) IN GENERAL.—An election official  
18 may not make a determination that a dis-  
19 crepancy exists between the signature on a  
20 mail-in ballot or an absentee ballot and the  
21 signature of the individual on the official  
22 list of registered voters in the State or  
23 other official record or other document  
24 used by the State to verify the signatures  
25 of voters unless—

2                   ficials make the determination;

3                   “(II) each official who makes the  
4                   determination has received training in

18                  State.

19                  “(ii) EXCEPTION.—Clause (i)(III)  
20                  shall not apply to any State in which,  
21                  under a law that is in effect continuously  
22                  on and after the date of enactment of this

3           “(3) REPORT.—

4           “(A) IN GENERAL.—Not later than 120

14           this subsection.

15           “(iii) Description of the cure process

13 ble to vote in the election; or

14 "(B) to prohibit a State from providing an

18 any other defect than the State is required to  
19 provide under this subsection.

20 "(c) APPLICATIONS FOR ABSENTEE BALLOTS.—

21 "(1) IN GENERAL.—In addition to such other

25 sentee ballot online.

1           “(2) TREATMENT OF WEBSITES.—A State shall

5           ballot to be completed and submitted online and if  
6           the website permits the individual—

7                   “(A) to print the application so that the  
8                   individual may complete the application and re-  
9                   turn it to the official; or

10                   “(B) to request that a paper copy of the  
11                   application be transmitted to the individual by  
12                   mail or electronic mail so that the individual

22                   not later than 13 days (excluding Saturdays,  
23                   Sundays, and legal public holidays) before the

1           ensure that the ballot and related voting mate-  
2           rials are promptly mailed to the individual.

3           “(B) APPLICATIONS RECEIVED CLOSE TO

21          submitted or received after the date described  
22          in subparagraph (B).

23          “(4) APPLICATION FOR ALL FUTURE ELEC-  
24          TIONS.—

1           “(A) IN GENERAL.—At the option of an  
2 individual, the individual’s application to vote  
3 by absentee ballot by mail in an election for  
4 Federal office shall be treated as an application

6 elections for Federal office held in the State.

7           “(B) DURATION OF TREATMENT.—

8           “(i) IN GENERAL.—In the case of an  
9 individual who is treated as having applied  
10 for an absentee ballot for all subsequent  
11 elections for Federal office held in the  
12 State under subparagraph (A), such treat-

10 “(e) UNIFORM DEADLINE FOR ACCEPTANCE OF  
11 MAILED BALLOTS.—

12 “(1) IN GENERAL.—A State or local election of-  
13 ficial may not refuse to accept or process a ballot  
14 submitted by an individual by mail with respect to  
15 an election for Federal office in the State on the  
16 grounds that the individual did not meet a deadline  
17 for returning the ballot to the appropriate State or  
18 local election official if—

19 “(A) the ballot is postmarked or otherwise
