Benjamin Hovland

Chairman

U.S. Election Assistance Commission

Benjamin Hovland was confirmed by unanimous consent of the United States Senate on January 2, 2019 to serve on the U.S. Election Assistance Commission (EAC). Commissioner Hovland currently serves as Chairman of the EAC. Additionally, he serves as the Designated Federal Officer for the Technical Guidelines Development Committee (TGDC).

Mr. Hovland's 20-year career in elections has been shaped by his commitment to improving election administration and removing barriers to voting. Most recently, he served as Acting Chief Counsel for the U.S. Senate Committee on Rules and Administration, where he was a driving force behind Congress appropriating \$380 million in Help America Vote Act funds to enhance election security to the states in 2018. While at the Senate, he focused on the federal government's role in election administration and campaign finance regulation. He organized several hearings on election security preparations and improving election administration. He was integral to restoring a quorum at the EAC in 2015. Earlier in his career, as the Deputy General Counsel for the Missouri Secretary of State's office, he focused on legal issues related to the administration of state and federal elections, including recounts, poll worker training, voter registration list maintenance, statewide database matching, voter education resources and ballot initiative litigation.
