

Alex Nowrasteh is the vice president for economic and social policy studies. His popular publications have appeared in the *Wall Street Journal*, *USA Today*, the *Washington Post*, and most other major publications in the United States. Nowrasteh regularly appears on Fox News, MSNBC, Bloomberg, NPR, and numerous television and radio stations.

His peer-reviewed academic publications have appeared in the *World Bank Economic Review*, the *Journal of Economic Behavior and Organization*, *Public Choice*, *Kyklos*, the *Journal of Bioeconomics*, and others. He has also contributed numerous book chapters to various edited volumes. Nowrasteh is the coauthor (with Benjamin Powell) of the book *Wretched Refuse? The Political Economy of Immigration and Institutions* (Cambridge University Press, 2020), which is the first book on how economic institutions in receiving countries adjust to immigration. *Wretched Refuse?* received “The Best Book in Austrian Economics” award from the [Society for the Development of Austrian Economics in 2022](#).

He is a native of Southern California and received a BA in economics from George Mason University and an MS in economic history from the London School of Economics.

Nowrasteh’s research at the Cato Institute can be accessed here:
