

**KIMBERLY DENBOW**

Vice President of Security and Operations  
American Gas Association

Kimberly Denbow is the Vice President of Security & Operations at the American Gas Association (AGA). At present, she leads the AGA Board-appointed Cybersecurity Strategy & Regulatory Action Committee. Kimberly built AGA's cyber and physical security program and helped stand up the Downstream Natural Gas Information Sharing & Analysis Center. She also supports all-hazards emergency preparedness activities and pipeline resilience and reliability initiatives. Kimberly serves as the industry liaison to numerous U.S. Department of Homeland Security and Department of Energy (DOE) natural gas physical and cybersecurity programs. She was an inaugural voting member of the Transportation Security Administration Surface Transportation Security Advisory Committee, in which she helped stand-up and co-chair the Cybersecurity Subcommittee.
