

Stephen Zakowicz
Vice President, CGI Federal Inc.

CGI Federal Inc. Vice President Stephen Zakowicz is an experienced information technology (“IT”) professional providing leadership and solutions to U.S. federal and private sector clients for more than 20 years. His experience is highlighted by leading large-scale, complex cybersecurity solutions in the federal government. He has expertise in cybersecurity, program management, digital transformation, application rationalization, data analytics, and systems integration.

Mr. Zakowicz leads the Department of Homeland Security (DHS) Cybersecurity and Infrastructure Security Agency (CISA) account for CGI Federal, which includes over 300 professionals. His portfolio includes supporting the seven agencies participating in CISA’s Continuous Diagnostics and Mitigation (CDM) Dynamic and Evolving Federal Enterprise Network Defense - Group C (DEFEND C), as well as 65 non-Chief Financial Officer (CFO) Act agencies through DEFEND F.

Prior to his current role, he oversaw a team providing environmental health and safety and regulatory compliance solutions and services to Chemical and Energy Critical Infrastructure sector companies.

Mr. Zakowicz currently serves as a member of the American Council for Technology and Industry Advisory Council (“ACT-IAC”), as well as the WashingtonExec Cyber Council. He is also on the board of directors of the JMU Archery Alumni Association and a Cub Scouts Den Leader.

Mr. Zakowicz holds a Bachelor of Science from the College of Integrated Science and Technology at James Madison University with concentrations in Energy, Environment and Information Knowledge Management. He also holds a Certified Information Systems Security Professional (CISSP) certificate.
