

Jack Kudale
Founder & CEO

Jack Kudale is the founder of [Cowbell](#), the industry's first AI-powered cyber insurance provider that aims to make cyber insurance accessible to all businesses. Jack brings 25 years of business experience, having led 3 venture-backed Silicon Valley cybersecurity and data analytics startups after a long stint as an executive in charge of distribution at a Fortune 500 software company. Jack is a frequent speaker at industry events covering topics such as the future of cyber insurance and the use of AI and technology to enable continuous underwriting for cyber. Jack was recently named an Entrepreneur Of The Year Bay Area award winner by Ernst & Young LLP, a highly-coveted award that honors entrepreneurs whose ambition, courage, and ingenuity have driven their companies' success, transformed their industries, and made a positive impact on their communities.
