**An amendment to the Amendment in the Nature of a Substitute to H.R.  
3846 offered by Ms. Sanchez**

In the proposed section 411, amend subsection (1) to read as follows:

“(1) TRAINING.—

“(1) IN GENERAL.—The Commissioner of United States Customs and Border Protection shall require all agents and officers of United States Customs and Border Protection to participate in a specified amount of continuing education (to be determined by the Commissioner) to maintain an understanding of Federal legal rulings, court decisions, and departmental policies, procedures, and guidelines.

“(2) ENSURING TRAINING.—Not later than 90 days after the date of the enactment of this section, the Commissioner of United States Customs and Border Protection shall incorporate into an existing database of the agency or develop a database system that identifies by port of entry for each United States Customs and Border Protection officer—

“(A) for each training course, the time allocated during on-duty hours within which training must be completed;

“(B) for each training course offered, the duration of training and the amount of time an officer must be absent from work to complete such training course; and

“(C) certification of each training course by a supervising officer that the officer is able to carry out the function for which the training was provided, and if training has been postponed, the basis for postponing such training.

“(3) USE OF DATA.—The Commissioner of United States Customs and Border Protection shall use the information developed under paragraph (2) and paragraph (3)(B) to—

“(A) develop specific training requirements for United States Customs and Border Protection officers to ensure that such officers have sufficient training to conduct primary and secondary inspections at United States ports of entry;

“(B) measure progress toward achieving the training requirements referred to in subparagraph (A).”.
