

Gerald W. Parker, Jr., DVM, PhD
Associate Dean for Global One Health
Texas A&M College of Veterinary Medicine and Biomedical Sciences

Dr. Parker is the Associate Dean for Global One Health at the College of Veterinary Medicine & Biomedical Sciences and Campus Director for Global One Health at Texas A&M University. He holds joint appointments at the Bush School of Government Service as Director of the Pandemic and Biosecurity Policy Program within the Scowcroft Institute for International Affairs and AgriLife Research as strategic advisor for the Institute for Infectious Animal Diseases.

Parker is a member of several advisory boards, including the National Academies of Sciences, Engineering and Medicine standing committee on Health Threats and Workforce Resilience, Homeland Security Science and Technology Advisory Committee, and the Biodefense Blue Ribbon Panel.

Prior to his appointment to Texas A&M University, Dr. Parker held technical to executive leadership positions throughout 36 years of public service as a recognized defense and civilian interagency leader in biodefense, high consequence emerging infectious diseases, global health security and all-hazards public health/medical preparedness. This included coordinating federal medical/public health responses to Hurricanes Katrina thru Alex, to the 2009 Pandemic and Haiti earthquake. Dr. Parker's service includes more than 26 years on active duty leading medical research and development programs and organizations. He is a former Commander and Deputy Commander, U.S. Army Medical Research Institute of Infectious Diseases. Dr. Parker held senior executive level positions at the Department of Health and Human Services (HHS) and the Department of Defense (DOD), including serving as the Principal Deputy Assistant Secretary for Preparedness and Response at HHS, and Deputy Assistant Secretary of Defense for Chemical and Biological Defense at DOD.

Dr. Parker is a 2009 recipient of the Distinguished Executive Presidential Rank Award, and the Secretary of Defense Medal for Meritorious Civilian Service in 2013. Dr. Parker graduated from Texas A&M's College of Veterinary Medicine, Baylor College of Medicine Graduate School of Biomedical Sciences and the Industrial College of the Armed Forces.
