

**AMENDMENT TO DRAFT OVERSIGHT PLAN
OFFERED BY MR. RUSH**

On page 3, at the end of the section entitled “Climate Change”, insert the following new paragraph:

1 “The Committee will hold hearings to examine the role of climate
2 change in causing drought, heat waves, wildfires, reduced crop yields,
3 and impaired electricity generation from hydroelectric, coal-fired, and
4 nuclear power plants. Invited witnesses will include members of the
5 National Climate Assessment and Development Advisory Committee
6 and the National Academy of Sciences.”
