113TH CONGRESS
1ST SESSION

H. R.

To affirm the policy of the United States regarding Internet governance.

IN THE HOUSE OF REPRESENTATIVES

Mr. WALDEN introduced the following bill; which was referred to the
Committee on _____

A BILL

To affirm the policy of the United States regarding Internet
governance.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FINDINGS.**

4 The Congress finds the following:

5 (1) Given the importance of the Internet to the
6 global economy, it is essential that the Internet re-
7 main stable, secure, and free from government con-
8 trol.

1 (2) The world deserves the access to knowledge,
2 services, commerce, and communication, the accom-
3 panying benefits to economic development, edu-
4 cation, and health care, and the informed discussion
5 that is the bedrock of democratic self-government
6 that the Internet provides.

7 (3) The structure of Internet governance has
8 profound implications for competition and trade, de-
9 mocratization, free expression, and access to infor-
10 mation.

11 (4) Countries have obligations to protect human
12 rights, whether exercised online or offline.

13 (5) The ability to innovate, develop technical
14 capacity, grasp economic opportunities, and promote
15 freedom of expression online is best realized in co-
16 operation with all stakeholders.

17 (6) Proposals have been, and will likely con-
18 tinue to be, put forward at international regulatory
19 bodies that would fundamentally alter the govern-
20 ance and operation of the Internet.

21 (7) The proposals would attempt to justify in-
22 creased government control over the Internet and
23 could undermine the current multistakeholder model
24 that has enabled the Internet to flourish and under
25 which the private sector, civil society, academia, and

1 individual users play an important role in charting
2 its direction.

3 (8) The proposals would diminish the freedom
4 of expression on the Internet in favor of government
5 control over content.

6 (9) The position of the United States Govern-
7 ment has been and is to advocate for the flow of in-
8 formation free from government control.

9 (10) This Administration and past Administra-
10 tions have made a strong commitment to the multi-
11 stakeholder model of Internet governance and the
12 promotion of the global benefits of the Internet.

13 **SEC. 2. POLICY REGARDING INTERNET GOVERNANCE.**

14 It is the policy of the United States to preserve and
15 advance the successful multistakeholder model that gov-
16 erns the Internet.
