

AMENDMENT TO DRAFT OVERSIGHT PLAN

OFFERED BY REP. LUJAN

Insert under section titled AVAILABILITY OF BROADBAND:

The Committee will exercise its jurisdiction over the nation's investment in broadband infrastructure to bring the powerful benefits of the network to all Americans. In particular, the Committee will ensure that communities have the resources available to invest in high-speed broadband infrastructure to help ensure all Americans can actively participate online.

The Committee will also ensure that the federal agencies within its jurisdiction are adequately funding the deployment of broadband on rural and tribal lands.
