

AMENDMENT TO SUBTITLE D
OFFERED BY M .

In section 30411, in the matter to be added as section 224(c) of the Federal Power Act, add at the end the following:

1 “(7) LIMITATION.—This subsection shall not
2 apply to an eligible electricity supplier unless the ap-
3 plicable State commission, in consultation with the
4 North American Electric Reliability Corporation,
5 certifies to the Secretary that the application of the
6 requirements of this subsection to the eligible elec-
7 tricity supplier will not negatively affect the reliable
8 delivery of electric power to end-use electricity cus-
9 tomers of the eligible electricity supplier.”.
