

AMENDMENT TO DRAFT OVERSIGHT PLAN

HE #26

At the end of the third paragraph on page 3 in the section entitled “Biological Threat Preparedness and Response”, insert the following sentence after “emerging biological threats and infectious diseases.” and insert:

“In addition, the Committee will summon Secretary Kennedy, Jr. to appear in person to provide testimony to all Members of the Committee on any report of an outbreak of more than 3 cases of the following vaccine preventable illnesses: measles, chicken pox, meningococcal meningitis, polio, or pertussis, in any of the 50 states and territories, when new cases, hospitalizations, or deaths are reported.”
