

**AMENDMENT TO DRAFT OVERSIGHT PLAN**

**Federal Trade Commission Work on Junk Fees**

**CMT #9**

On page 14 at the end of the paragraph under the subsection titled “Federal Trade Commission Management and Operations” insert –

- (1) The Committee will also review the work the FTC has done to protect consumers from junk fees in the live-event ticket and hotel and other short-term rental markets and consider whether the FTC needs additional legal authority and resources to further combat junk fees, including those relating to restaurant and grocery delivery apps and the rental housing market.
