

**AMENDMENT TO DRAFT OVERSIGHT PLAN**

**Department of Commerce and Tariffs**

**CMT #13**

On page 13 in the paragraph under the subheading “Department of Commerce Management and Operations” –

- (1) On line 1 delete “work with” and replace it with “oversee the work of”.
- (2) At the end of the paragraph, insert “The Committee will examine the ways in which tariffs and threatened tariffs imposed by the United States impact the Department of Commerce’s ability to promote manufacturing in the United States including by raising the costs of intermediate goods purchased by U.S. manufacturers and leading other countries to implement tariffs on U.S. goods, reducing demand for U.S. produced goods outside of the United States.”
