

AMENDMENT TO DRAFT OVERSIGHT PLAN

CMT #19

[pg. 12, Consumer Privacy and Data Security, After sentence ending "...owned by or influenced by the CCP." Insert the following:]

Specifically, the Committee will continue its investigation into data brokers who collect and sell vast amounts of Americans' most sensitive personal information for profit, including information about our children, seniors, members of the United States military and veterans, with few restrictions on who they can sell this information to.
