

AMENDMENT TO DRAFT OVERSIGHT PLAN

HE #12

On page 4, at the beginning of the second paragraph, insert the following:

“The Committee will examine how the historic achievements of the Inflation Reduction Act have delivered savings to seniors on Medicare through the Medicare Drug Price Negotiation Program, the Inflation Rebates in Medicare Part B and D, and the \$2,000 cap on out-of-pocket costs for Part D beneficiaries. The Committee will consider how we can build on these historic gains so more Americans can take advantage of the law’s benefits, by extending these policies to those with private insurance.”
