

AMENDMENT TO DRAFT OVERSIGHT PLAN

The co-Presidents' ownership, operation, and shaping of social media.

CMT #21

Included below is the language for an amendment my boss would like to file for and may speak on during today's markup. Is there anything else you need?

At the end of the second paragraph on page 12 in the section titled "Consumer Privacy and Data Security", insert the following sentence:

"The Committee will explore risks to Americans' online speech arising from powerful government officials owning, operating, and otherwise shaping in their own image major social media platforms."
