

**AMENDMENT TO DRAFT OVERSIGHT PLAN**

**Tech Accountability**

**CMT #3**

On page 12 under the Heading “Commerce, Manufacturing, and Trade” –

- (1) Delete subheading “Consumer Privacy and Data Security” and replace it with the subheading “Tech Accountability, Consumer Privacy, and Data Security”
- (2) In the first paragraph under that subheading starting at line 5 delete “Further the Committee will continue to review the manner in which fraud and other criminal activities effect e-commerce” and replace it with “The Committee will conduct oversight into how social media and other big technology and e-commerce companies are affecting interstate commerce, providing platforms for fraud, particularly elder fraud and fraud against members of the armed services and veterans, impacting the mental and physical health of their users with a particular focus on the mental and physical health of children and teens, and allowing for the proliferation of misinformation, hate speech, and extremism.
- (3) In the second paragraph under that subheading on line 1, after the phrase “The Committee will investigate the impact of social media” insert and other big technology companies”
